

## **CHAPTER 3**

### **CONCLUSION**

#### 3.1 Conclusion

Through an art and design approach, consolidating the concept based on associated and relevant art style to the client's brand image is appropriately applied by Miseulukis Studios - a firm that is responsible over the interior design as well as implementation and iteration of the paintings found throughout the design – as a solution to strengthen the synergy across departments.

#### 3.2. Suggestions

It is currently crucial that the quality of the furniture, artwork, and the layout of the workspaces are realized such that the solutions may yield positive impact to the remodel.
